

RESEARCH AND INNOVATION: BUILDING A SUSTAINABLE FUTURE IN UNCERTAIN TIMES

#SRIPreport 2022

EUROPE NEEDS TO ACT ON

LONG-TERM CHALLENGES

such as climate change

loss of biodiversity

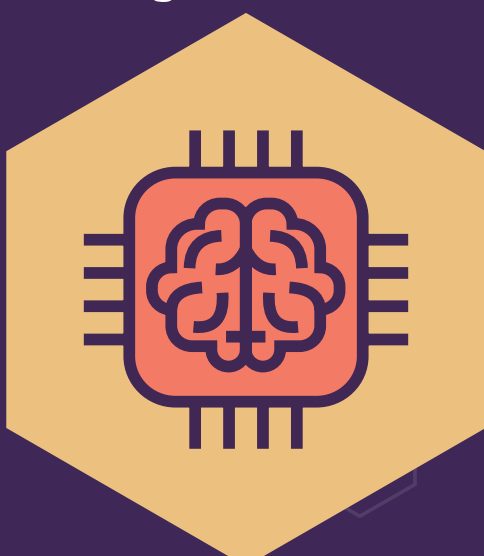

ageing population

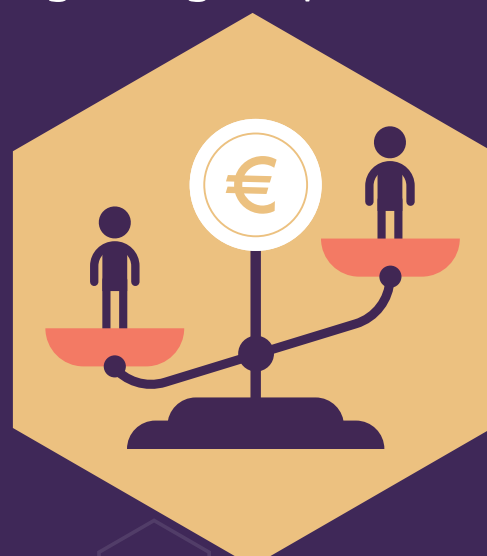

low productivity growth

digitalisation

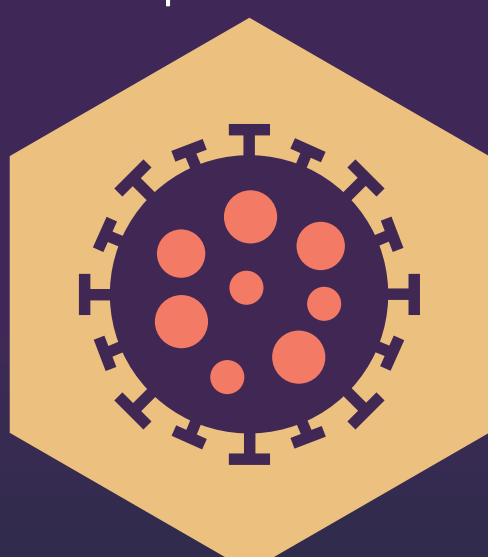

growing inequalities

IMMEDIATE CHALLENGES

COVID-19 pandemic recovery

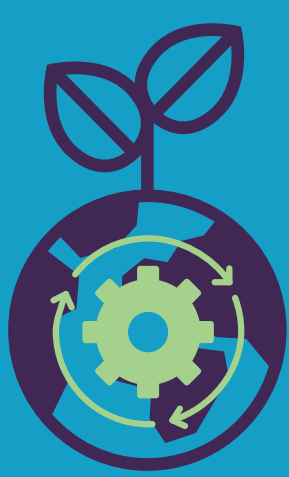

shifting global geopolitics

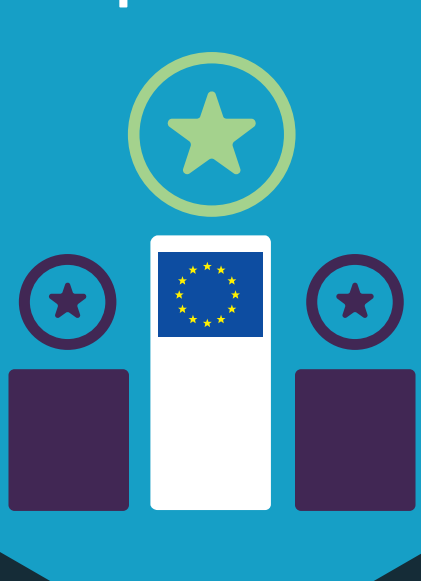

RESEARCH AND INNOVATION HELP US BUILD A SUSTAINABLE, COMPETITIVE AND RESILIENT EUROPE, WITH POLICIES TO

Build forward
better in a
post-pandemic
world

(Re)gain
competitiveness

Think the
'unthinkable'
(and be ready
for it)

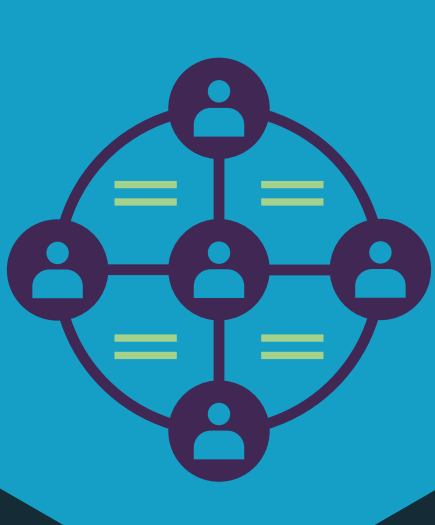

HOW TO MAKE THE BEST OF R&I

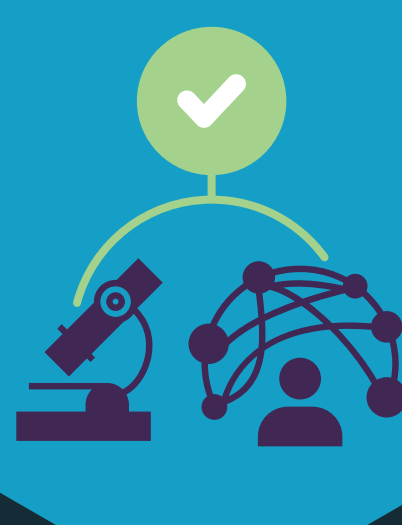

Leverage
businesses,
institutions and
people

Connect actors
and address
disparities

Ensure R&I
friendly
conditions
